PROGRAMME STRUCTURE

The chart below shows the leadership and delivery structure of the GB Maxibasketball programme. Solid lines are reporting lines; dashed lines are flexible or working relationships. The Physiotherapist, Strength & Conditioning Coach, SSEM practitioners and Sport Psychologist sit within the Sports Science, Exercise & Medicine team under the Head of Performance Support; Team Managers report to the Training Camp Coordinator as Lead Team Manager, with a day-to-day working link to their squad's Head Coach. All roles are voluntary and are held for a two-year term (2026/27–2027/28), subject to annual review.

SSEM team under the Head of Performance Support: Physiotherapist, S&C Coach, sports therapists, team doctor and Sport Psychologist (who also supports the Programme Leads).
