

TRAINING CAMP COORDINATOR

Voluntary operations role • Incorporates Lead Team Manager • Two-year term

ABOUT THE PROGRAMME

GB Maxibasketball is a World and European championship medal-winning programme, founded in 2017/18 and supported by every home nation basketball governing body. Catering for high-level male and female players aged 35+ and older, the programme is a recognised part of the Basketball England Talent Pathway and operates within governing body protocols for national teams.

In 2026, ten GB squads competed at the FIMBA European Maxibasketball Championship in Athens, returning with two medals, and the GB Men's 50+ made history at the inaugural FIBA Masters Open. The programme now prepares for the 2026/27 season and the FIBA Masters Open 2027 cycle.

OUR AMBITION

To provide players with a high-quality platform to continue playing basketball and competing at performance level through regular training and international events.

OUR VISION

Official governing body representative masters teams winning medals at European and World Maxibasketball Championships.

OUR VALUES

Performance first

Know your role and deliver it to the best of your ability. Plan to win — deliver excellence at every opportunity.

Continual improvement

A growth mindset in everything we do. Take risks, make mistakes, learn, innovate and elevate.

Team first

Leave egos at the door. Open, honest and respectful communication, with no blame culture.

A VOLUNTARY PROGRAMME — WHAT THAT MEANS

All GB Maxibasketball roles are voluntary. Staff and players self-fund their participation in training and at international competition, including travel and accommodation. Some material costs are covered for sports science and medicine staff (e.g. therapeutic strapping and first aid equipment).

In return, we offer something money rarely buys: hands-on experience in a national performance programme, structured professional development built on our growth mindset ethos, mentoring from experienced practitioners, and membership of GB Maxibasketball delegations at designated international championships (FIBA or any other recognised international body whose competitions further our competitive aspirations).

THE ROLE

The Training Camp Coordinator plans and delivers the programme's training camps and, as Lead Team Manager, coordinates team management across all squads. This is the operational heartbeat of the programme: when camps run smoothly, coaches coach and players perform.

Reports to	Programme Director
Coordinates	Team Managers of each GB squad
Term	Two years (2026/27–2027/28), subject to annual review
Commitment	Training camps approximately every 6–8 weeks, plus designated international championships

RESPONSIBILITIES

TRAINING CAMPS

- Plan the camp calendar with the Programme Director and Programme Leads
- Publish camp schedules produced with the Programme Leads, covering all age-group sessions and meetings
- Manage camp registration, attendance and communication with players and staff
- Coordinate in-camp logistics: courts, equipment, meeting rooms and SSEM space
- Manage pre-championship kit and apparel sizing for selected squads and staff
- Manage camp opening and closure requirements

LEAD TEAM MANAGER & CHAMPIONSHIPS

- Coordinate and support the Team Managers of each squad, ensuring every squad has an appointed Team Manager ahead of each championship cycle
- Be willing to act as a GB Maxis representative at championship technical meetings, communicating all relevant technical information to the Programme Leads and coaching staff
- Support delegation planning for designated championships, working with the Programme Director on accommodation and travel frameworks
- Ensure daily game and transport schedules reach players and staff in good time at championships
- Contribute an operations and logistics report to post-championship reviews
